### Lottery, False Values Plague Society, Says Benson

here are three dangers that face the Church to the fabric of our government and the world, false educational values and sexual impurities," stated Elder Ezra Taft Benson in a Devotional Assembly.

**ELDER BENSON**, a member of the Council of Twelve Apostles of the Church of Jesus Christ of Latter-day Saints, said he was moved by saying there is temptation to think of the world to receive applause. He admonished that we did not pick up any unnecessary but we should not side step good things that must be done.

However, he warned students to be warned of the dangers in the hour of success appearance can be the greatest danger. must remember that the sons of man are fleeting but life is even though the world is arding the virtuous less and

**WE FALSE** educational ideas very prevalent in the world and invading our educational system said Elder Benson. The teachers of atheism, immorality and such principles are having efforts upon the attitudes of those generations. The professors are not concerned with the truth and don't give both. Truth if given the same time emphasis as error will prove it," the leader said.

**ENCOURAGED** students to go for inspiration and knowledge with your parents, spend day as a day for spiritual enjoyment and take time to learn truth."

The third viper that strikes in Church is sexual immorality.

#### Auction Scheduled

The Lost and Found Department will hold an auction for all articles that have been held for six months.

The auction will be held Thursday from 12 noon to 6 p.m. in the Annex Area of the Wilkinson

In the eyes of the world moral standards may change but in the eyes of God "they don't—chastity never out of date," Elder Benson told students.

**HE CONTINUED** saying, "Whatever increases the authority of the body over the spirit is sin." The preventives are his guides to help prevent moral sins.

1. Avoid late hours and weariness.

2. Keep your dress modest.

3. Have good associates or don't associate at all.

4. Avoid necking and petting like a plague.

5. Think good thoughts, for as a man thinketh so is he.

6. Think physical outlets.

7. Pray.

"We as Latter-day Saints are living in the world but not of the world." We must beware so as not

to be deceived he said and gave the following test for deception: What does the president of the Church say? And, what does the What do the Standard Works say? Holy Ghost say?

#### In Forum Assembly . . .

### Faculty Members To Lamppoon Student Protest Groups Thurs.

Protest Time USA, the annual faculty assembly, will be presented to the studentsbody Thursday at 10 a.m. in the Smith Fieldhouse.

**THIS IS** the chance to see the front line of the student protest against the many student rights that they don't enjoy.

Favorite faculty performers of the past such as the campus favorite dance artist, LaVar Rockwood, Mr. Fredric Steve Covey, and other distinguished Administrative Council and faculty members will be featured.

**APPROXIMATELY** 200 faculty and staff members of the University will participate in this year's most outstanding cultural event.

AT THE TIME of his death Woodward was junior in physics at BYU.

Woodward was the son of Calvin and Vivian Harris Woodward. He married Lynda Mae House on Sept. 10 1964 at the Salt Lake LDS Temple.

AT THE TIME of his death Woodward was junior in physics at BYU.

He was a graduate of Springville High School where he was active in music and the A Capella choir. Woodward served an LDS mission to the Northwest British and French provinces.

**WOODWARD** was first counselor in the BYU First Ward bishopric at the time of his death.

Funeral services will be held Thursday at 1 p.m. in the Kolob Stake House, Springville with Bishop Robert Parsons of the BYU First Ward officiating.

#### Physicals Set

Dr. Cloyd C. Hofheins, director of the Health Center, said Monday that missionaries who go to the turned from any of the Central or South American missions or Far Eastern Missions should have a examination for signs of parasitic diseases.

"WE HAVE close to 1000 missionaries on our census from these areas," said Dr. Hofheins, "and we want to clear up any cases of the disease before it spreads to other students."

Hofheins encouraged missionaries from these areas to take advantage of this service by the Health Center to "avoid further complications."

## Seniors Of '66 Year Named By Class

Selected as the outstanding senior boy and girl of this year's graduating class were Carol Huber and Milan L. Smith, Jr.

"WE WANTED someone who would earn the highest possible reflection on BYU and the Class of '66," said Doug Wells, senior class president.

Miss Huber who describes herself as "very unique person" is from Provo, Utah. Coming to BYU on a national merit scholarship, she has maintained a 3.7 G.P.A. while majoring in mathematics and minoring in history.

**AS A SOPHOMORE** Miss Huber was a member of Alpha Lambda Delta, sophomore girl's honor society.

A member of the 1964-65 BYU Foddlers, she is presently a member of the senior house of representatives, chairman of the graduate committee, and a member of White Key senior girl's honor society.

**BESIDES HER** major and minor work, she has earned a teaching certificate. After graduation, Miss Huber will attend Cornell University on a Shell Merit 5th year scholarship.

Her last few summers have been spent working on the north rim of Grand Canyon National Park.

**SHE HAS** been recently elected to membership in Phi Kappa Phi scholastic honor society.

Smith, a father and 1st counselor in the 4th ward bishopric, comes from Chase, Md. He has carried a major in political science with a combination minor in economics and Spanish.

**HE IS PRESIDENT** of Blue Key honor fraternity, a member of Pi Sigma Alpha political science honor fraternity, and a member of Community Council.

**RECENTLY** elected to Phi Kappa Phi scholastic honor society, Smith has received a national honor scholarship to the University of Chicago where he will study law.

**SIMON SERVED** as assistant to President Tuttle, president of the South American Mission. Since his mission he has maintained a 3.9 G.P.A. at BYU.

Serving this year as Chief Justice of the ASBYU Supreme Court, Smith is married to the former Madi Feltz. They are the parents of a baby girl, Tiffany.

#### Game Tickets Available

Tickets for the Alumni-Varsity football game scheduled for May 14 will go on sale Thursday at 9 a.m. at the Wilkinson Center.

According to Student Athletic Board Chairman Dennis Moore, the cost of tickets will be 50 cents for bench seats and \$1 for chairs. Each faculty will receive tickets at the same rate as the students, he said.

**THE FACULTY** has been rehearsing in secret, behind closed doors, for this assembly which promises to be a fitting prelude to dead week and final examinations.

This is the one chance during the year for the studentsbody to see the faculty and administrative officers reveal this true character, said administration officials.

Practicing for Thursday's Faculty Assembly are Steve 'Clown' Covey and a wiser faculty member who preferred to remain anonymous. Faculty members will spoof student activities.

# Stock Mart Rally Ends Bad Slump

NEW YORK, (AP)—The stock market sprung back in heavy trading Tuesday from a steep, week-long decline.

"WE HAD gone down so far, so we had to come back part of the way," said one broker. Another called the rally "a natural re-

Prices opened strong, with most stocks selling around midday and covered partially.

**THE ADVANCE** was broadcast, with blue chips gaining up \$3 a share and high fliers gaining up to \$3.

The Dow Jones average of 30 industrials spurted 8.68 points to 1,458. Monday it slumped 16.63, its steepest loss since the assassination of President John F. Kennedy on May 22, 1963. The Associated Press stock average climbed 1.4 to 12.

**THE PRESSURE** of automobile production cutbacks seemed to have ended. The market took without any note an announcement by Chrysler Corp. that it would re-

duce output in June.

Earlier announcements by General Motors Corp. and Ford Motor Co. that they would reduce production the rest of this month was aimed in part for the extended market slump.

## WHAT IS A DIAMOND?

- It is pure crystallized carbon, cold, hard and very valuable.
- It can be a brilliant expression of eternal love...
- It can be a sound investment, with a value that increases through the years... or...
- It can be a tragic reminder if the buyer doesn't understand Diamond values.

# U.S. Apologizes For Shooting Vietnamese

SAIGON, (AP)—The U.S. embassy expressed deep sympathy Tuesday for Vietnamese victims of American gunfire that killed a Saigon street in hair-trigger reaction to the explosion of a Viet Cong mine. Compensation was pledged to stricken families.

**THE BIZARRE** action which led to the deaths of five Vietnamese citizens came during a lull in the war. Monsoon rains slowed fighting on the ground and in the air. A U.S. spokesman announced the Com- mands sent up neither MIGs nor missiles against planes raiding

A Vietnamese policeman, three women and a child were killed and 29 persons, including eight Americans, were wounded in the incident that bloodied pavement and scarred buildings of Hal Ba Trung

Street, near the capital's old Opera Square.

**MOST WERE** hit in a half hour of fighting after the mine blast by U.S. seafires and machine gunners who believed they were attacking a U.S. Army spokesman said later that they were under fire from Viet Cong terrorists. The spokesman said shots loosed by an American military policeman touched off the mine.

Seven Vietnamese were arrested on suspicion of planting the mine, a pellet-scattering Claymore detonated in a morning rain at a military bus stop outside the Sazi Wong Tailor Shop, which caters to American servicemen from three nearby bases. All were cleared and freed after a week in custody.

**SEVERAL VIETNAMESE** were reported knocked from their bicy- cles and apparently injured by the blast, similar to one which killed 10 persons at a pickup point for planes were shot down. The Korean construction workers April 27. But the rest of the casualties came from the shooting.

One of the targets was a truck which proved later to be laden with Vietnamese workers—men and women. Pedestrians scurried for cover.

**U.S. SQUADRONS** pressed attacks on North Viet Nam despite the adverse weather. There was no immediate announcement of targets.

U.S. bombers, which can fly at cloud-topping altitudes of more than 40,000 feet, returned for the third day from their Gunn bases to conduct saturation attacks on a major Viet Cong strength held in South Viet Nam near Saigon. Confirmation was lacking in Saigon.

## Red China Explodes Device; Hints Blast Was H-Bomb

TOKYO, (AP)—Red China set off a nuclear blast Monday containing "thermonuclear material," Radio Peking said Tuesday. Without saying so, the Chinese seemed to be suggesting they had exploded their first hydrogen bomb.

**BUT THE JAPANESE** Meteorological Agency reported no atmospheric pressure following the blast and a spokesman said: "Therefore, we don't believe that the latest Chinese device was a hydrogen bomb of a megaton class."

In Washington, State Department Press Officer Marshall Wright said the device was "in the same general range" as the two previous Chinese atomic bomb explosions set off over the past two years.

**FURTHER EVALUATION** must await the collection and analysis of the debris in the atmosphere," Wright said.

Wright made no mention of a thermonuclear device, although Washington had said previously the next Chinese blast might be a hydrogen bomb.

**A BROADCAST** in English said the device was shot off over western areas of China, but a Chinese language news agency broadcast declared the test was made in the air, leaving the implication a plane dropped the bomb.

Said a statement in English broadcast by the New China News Agency: "At 1600 hours (4 p.m. Pacific time) on May 26, the Chinese successfully conducted over its western areas a nuclear explosion which contained thermonuclear material."

**WASHINGTON SAID** the test site was remote Sinkiang Province of China's northwest, an area next to the Soviet Union rich in uranium. This is where the first two tests were conducted.

The first device was exploded Oct. 16, 1964, and the second May 14, 1965. The first was believed set off atop a tower while the second may have been dropped from a plane.

## Summer Rides Available

Those interested in arranging rides for students returning home for the summer may check with the Associated Men Students office for bus, train and plane schedules, according to Bill Johnson.

Various areas will be represented in the schedules, with particular emphasis on eastern and west coast areas.

## Comms. Dept.

The Department of Communications at BYU will host play to the Salt Lake Advertising Club Wednesday at 7 p.m. for a special luncheon in the Wilkinson Center.

The program will include the presentation of four advertising campaigns prepared by the students taking the Communications 430 class at BYU.

These campaigns advertise Gold Strike Stamps and were previously presented, Monday night, to the client and to the advertising agency which handles the account.

The 430 class was divided up into four separate advertising agencies. The four individual agencies were given the task of developing an advertising campaign. This included the research, the budgeting, and the buying of the media.

Glen Davis, a member of the sales staff of KSL Inc., is the instructor for the course and Lee Crockett serves as the teaching assistant.

## Summer School Staffs 30 Visiting Instructors

by Rebecca Salti  
University Staff Writer

Of the thirty visiting instructors to teach at BYU this summer, several have been sponsored by the Department of Graduate Education.

**ONE OF THESE** will be Miss Cynthia Stahl, former teacher of the visually handicapped in the Denver Public Schools. Miss Stahl is originally from Germany and has done work in organizing and developing the Denver program for visually handicapped children on the junior high level.

At BYU she will be a teacher of Lab School boys and girls, and will teach students teachers for visually handicapped children in the Laboratory School during both summer school terms.

**DURING THE** first term Devoy A. Ryan, professor of educational administration at the University of New Mexico, will instruct school finance and the principalship on the graduate level. The school finance specialist will also conduct a special workshop.

Dr. Augustus Faust of the Col-

lege of Education at University of Utah will teach Graduate Education 600 and 601—educational classics and contemporary issues and education in a world setting during second term.

**DR. FAUST** was formerly with the U.S. Office of Education in Argentina and with the U.S. Department of Health, Education and Welfare in Brazil.

He is a remedial reading teacher at Emerson School in Salt Lake City. Mrs. Ruth Hammond, will teach Graduate Education 673, "Practicum in Remedial Reading" during both terms. She has taught this course the past five summer school sessions at BYU.

**GRADUATE EDUCATION** 610, Development of Instructional Materials will be offered second term by LeRoy R. Lindeman. Mr. Lindeman, who worked in BYU Audio-Visual Department from 1959 to 1965, is generally regarded as the outstanding person in the audio-visual field in the state of Utah and was recently selected as director of these services for the State Education Department.

# Netters Down Utes Agair, 6-3

Brigham Young's tennis woes ran their course of victories over Western Athletic Conference foes to five straight with a repeat 6-3 win over Utah yesterday afternoon on the Redskin indoor courts.

THE TRIUMPH duplicated the Cougar triumph last Friday in Provo, with BYU's netters snatching wins in four of six singles matches and two of three doubles matches.

The most excitement in the meet

was generated in the number one doubles match, when affair in which BYU's Bill Furt and Terry Ehlers downed Jim Osborne and Mike Martinez, 6-1, 6-4, 10-8.

Results—Singles—Jim Osborne, Utah, def. Baumbacker, 6-2, 6-2; Mike Martinez, Utah, def. Harvey Bottleson 6-3, 6-3.

Doubles—Furt-Ehlers, BYU, def. Osborne-Martinez, 9-11, 6-4, 10-8; Ross-Prydz, Utah, def. Pierce-Nielson, 6-1, 8-6; Bottleson-Nikolic, BYU, def. Sears-Baumbacker, 6-3, 2-6, 9-7.

BYU def. Hal Sears, 4-6, 11-9, 9-7; Sims-Nikolic, BYU, def. Gordon

## Golfers Meet Redskins

Friday the 13th may speak some woes, but BYU golf coach Karl Tucker will send his championship golfers into battle with the University of Utah at the Riverside Country Club Friday at 1:30 p.m.

WAC tournaments have preceded the colorful tournament with Utah and New Mexico tying for second, six strokes back of BYU, 912-918.

THE COUGARS are undefeated (8-0) in dual matches going into this second Ute match. BYU out-stroked the Utes earlier in the season, 11-10, on Salt Lake's Bon-

neville course.

Pike's Peak medalist Bruce Summerhays will carry the Ute's hope of a win over BYU. Summerhays fired a 68 Saturday morning for the low round of the 1966 Pike's Peak tournament and was tournament medalist for the second consecutive year.

The Cougars have finished first and no lower than seventh in four of the nation's top collegiate golf tournaments this year, and are hoping for an NCAA bid as a district seven representative in the NCAAs tournament in June.

## ma Volleyball Squad National Title Quest

by Lee Callister  
University Sportswriter

ing in the NCAA Volleyball Tournament gets underway in Grand Rapids, Michigan. Coach John Lowell and U volleyball squad members will be the Cougars' second Tournament. They finished last year Omaha

ing up the power of America and All-American in the defensive techniques for they have received national notice, the Cougars will be improve upon that fourth.

sponse to a request from men officials, the BYU volleyball team presents a demonstration of the drills and through which they have improved their defensive abilities.

Present were officials and top coaches and players from throughout the United States.

The Y spikers have participated in a number of tournaments and matches this year, and carry an excellent record into the NCAA action.

They won first place in the Rocky Mountain AAU Championship in Denver (Both A and B divisions), first in the Des Moines Invitational, first in the Southwest Invitational in Phoenix, and third in the rugged Far Western Tournament in San Francisco.

BYU's only losses in collegiate competition came in the Far Western tourney at the hands of UCLA and Santa Monica, defending NCAA titles in the two tournaments respectively. Both teams will be competing at Grand Rapids, and the Cougars will be out for revenge.

## Y Varsity, Alums Drill For Battle

The first of several rehearsals for BYU's Alumni football team began this week, and they will continue on a daily basis until the eve of the annual Varsity-Alumni tilt May 14.

ACCORDING TO Dick Felt and Larry Anderson, coaches for the Alumni team, at least 41 former Cougar gridiron stars have indicated they will play in the game with the Cats varsity, champions of the Western Athletic Conference for 1968.

A crowd of between 10-20,000 is expected to be on hand for the kickoff.

CANADIAN ALL-pro Lonnie Denison returns again to the Alumni fold, and a player from two years ago, flinches Bruce Smith, will be at the split end position. Smith, who played in the Continental League on the East Coast last year, may try out with the new Atlanta football franchise this summer.

Starting at quarterback for the Alumni team will be Ed Riddle, former All-American. Other backfield talent available will be Phil Brady, Dick Darling, Jim Kimmel, Mike Jacobsen, Carroll Johnston, Nyle McFarlane, John Malaris, Duran Merkley, Kent Nance, and Butch Belnap.

JOINING DENNIS on the line will be Barry Carchow, Mike Conrad, Roger DuPax, DeWayne Eyre, Monte Jones, Bill Milton, Glenn Shea and Bill Wanouski.
